PROFESSIONAL SUMMARY

Senior Software Engineer with 5+ years of experience building enterprise web applications, POS, ERP, DMS, and business automation platforms across JavaScript/Node.js/NestJS and PHP/Laravel ecosystems. Skilled at translating operational needs into scalable system and database designs. Delivered nationwide systems, including a web-based POS platform supporting 800+ retail outlets and millions of invoices.

CORE SKILLS

Backend	Node.js, NestJS, PHP, Laravel, Java (basic), REST APIs
Frontend	JavaScript, Vue.js, Nuxt.js, React.js
Database	Microsoft SQL Server, MySQL, stored procedures, database design
Enterprise	Requirements analysis, solution design, process automation, large-scale data processing
Tools	Git, GitHub, GitLab, Postman

PROFESSIONAL EXPERIENCE

SENIOR SOFTWARE ENGINEER | ACI PLC

Feb 2023 - Present

Dhaka, Bangladesh

- Developed ACI Connect, an enterprise intranet and SSO platform serving 16,000+ active users, with role-based access to permitted applications and websites through a social-feed-style homepage and centralised application launcher.
- Developed a web-based POS platform supporting 800+ retail outlets and millions of invoices.
- Partner with business stakeholders to analyse requirements, model databases, and convert complex operational workflows into scalable solutions.
- Optimise SQL Server databases and stored procedures for high-volume transactional workloads.
- Built nationwide demand-generation and bulk data-processing systems.
- Contributed to Yamaha DMS, a fintech remittance platform, and renewable-energy platforms for EcoFlow and GoodWe.
- Develop business-intelligence dashboards and reporting solutions that support enterprise decision-making.

SOFTWARE ENGINEER | DATAHOST IT

Nov 2021 - Jan 2023

Dhaka, Bangladesh

- Developed ERP, CMS, and custom web applications using Laravel and PHP.
- Contributed to a scalable CMS platform serving multiple business clients.
- Built a hotel-management ERP and other enterprise solutions to streamline operational workflows.
- Developed a school-management platform for an international client, supporting digital learning operations.

WEB DEVELOPER INTERN | ACI LTD

Apr 2021 - Jun 2021

Dhaka, Bangladesh

- Supported the development and maintenance of internal web applications.
- Used PHP, Laravel, and SQL databases to deliver assigned application features and fixes.
